Mr. Charles Flowerree  
Director, Office of Systematic Review  
Bureau of Administration  
The Department of State  
Room 1239, New State Building  
Washington, D.C. 20520

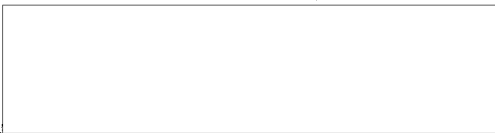

Dear Mr. Flowerree:

We have completed our review of the manuscript Foreign Relations of the United States, Volume II, 1955-57, National Security Affairs; Foreign Information Program. It was coordinated in house with the Directorate for Operations and the Directorate for Intelligence. We have bracketed the deletions on the documents and have prepared a listing of the deletions which is also attached.

This completes our review of the individual documents intended for publication in this FRUS volume which you sent to us for review. This letter provides CIA clearance of this material. Clearance is subject to the withholding of documents or portions of documents as requested and is contingent upon your assurance that there is no further material of CIA interest intended for publication in this volume which has not been reviewed by us.

We have noted that much of the FRUS deals with matters of a military nature which should be coordinated with the National Security Council and Department of Defense.

Sincerely

  
Chief, Classification Review Division  
Office of Information Services  
Directorate of Administration
